MEMORANDUM FOR: BASE TRAFFIC MANAGEMENT OFFICE/ LGTTP
SHAW AFB SC 291520000/ASSIGNMENTS
IN TURN

FROM: CAPT SPENCER [REDACTED]
[REDACTED]

SUBJECT: Request for Circuitous Travel

1. Under the provisions of *AFI 24-101, Passenger Movement*, I am requesting permission to travel by the circuitous route indicated below, in connection with my permanent change of station (PCS) move between [REDACTED] and [REDACTED], during the month of [REDACTED]

2. Additional information submitted:

- a. Dependent Traveler(s) Name/SSAN (list each):
- b. Circuitous route (list all segments):
 - a. [REDACTED] to [REDACTED]
 - b. [REDACTED] to London, UK
 - c. London, UK to Edinburgh, UK
 - d. Edinburgh, UK to Calgary, Canada
 - e. Calgary, Canada to [REDACTED]
- c. Space-available segment(s), if any: N/A
- d. Space-required segment(s): N/A
AMC: N/A
Commercial: N/A
- e. Travel window (AMC space required only): N/A

3. If approved, it is my responsibility to ensure the military personnel section annotates authorization of circuitous travel in my travel orders. I understand I may use my GTC in purchasing commercial airline tickets from the CTO/TMF and subject to reimbursement up to the government cost as determined by TMF/CTO.

4. For any AMC space-required portion of my travel the TMF/CTO must make all travel arrangements, perform cost comparison, and if necessary, collect any excess cost. For AMC space-available portions of my travel, I understand I am solely responsible in making all the travel arrangements for my circuitous route.

5. I must have sufficient funds in my possession to defray the cost of travel where government transportation is not furnished. I understand and accept the responsibility for compliance with the travel requirements as outlined in the Foreign Clearance Guide.

[REDACTED] [REDACTED]
[REDACTED] [REDACTED]

1st Ind, [REDACTED] (CTO)

Under the provisions of AFI 24-101, SPENCER [REDACTED], Capt, [REDACTED], is authorized from [REDACTED] to [REDACTED] to London, UK to Edinburgh, UK to Calgary, Canada to [REDACTED] for circuitous travel.

Traveler's authorized normal route is: [REDACTED] to [REDACTED] and is authorized reimbursement in the amount of \$2,036.00 per authorized traveler. The AMC portion of this request resulted in the excess cost amount of NONE.

Member is **AUTHORIZED** self-procurement for transoceanic/circuitous travel and will directly procure airline tickets from a U.S. flag carrier or foreign flag carrier under a US code-share agreement. The member will receive reimbursement up to the authorized cost of the normal route as stated above.

Request MPF places this **AUTHORIZED** statement on member's orders authorizing self-procurement and reimbursement up to the authorized cost of transoceanic/circuitous travel.
